Service Spotlight

Through our Disaster Relief program, we serve as a first responder for natural disasters and environmental emergencies on the reservation. We provide essentials like food and water, batteries, blankets, PPE, or cleaning supplies as needed by each community for the people who are displaced.

Thank You!

We're so grateful for your ongoing support and friendship — it means the world to us. These numbers are just a glimpse of what your generosity has made possible. Because of you, Elders, children, families, and even animals on remote Native American reservations are finding hope and help when they need it most.
